

INTRODUCING THE SHARX PROGRAM

High-Cost
Prescription Access

SHARXPLAN.COM

(314) 451-3555

We are excited to welcome you to a new service available to all enrolled members in the health plan. It's a prescription drug program provided by SHARx to all enrolled members in the current health plan.

Watch this video to learn more

What is SHARx?

SHARx is a pharmacy advocacy solution provided by your employer. This program was created to extend advocacy program benefits to employees like you. Our role is to help facilitate the advocacy onboarding process for each eligible member of your employer's health plan and provide access for all high-cost medications.

As it can take a few weeks to get set up, now is the time begin the process to access your high cost medications.

Who is Eligible?

Your employer is making this program available to members enrolled in the health plan. If you are currently on any high cost prescription medication, you will want to follow the steps below for potential cost savings to you! If you are eligible to participate in the SHARx program to lowering drug costs for you and your family, follow the instructions in the welcome email or call 314-451-3555.

What are the Costs?

There are no costs to participate in the SHARx program. Your employer has paid 100% of the cost of this service for you and your family as long as you are enrolled in your employer's health plan. Prescriptions obtained through this service could be FREE for you and your family. Sometimes a co-pay or out of pocket amount will be required, but this out of pocket may be substantially less than what you are paying now.

What is considered a High Cost Prescription?

Any medication that has a cost of at least \$350 per month is considered high cost. These would include: Insulin (all types), Abilify, Actemra, Advair, Ajoy, Atripla, Biktarvy, Breo, Brilinta, budesonide, Bydureon, Cimzia, Concerta, Copaxone, Cosentyx, Creon, Descovy, Dexilant, Dulera, Effient, Eliquis, Elmiron, Enbrel, Entyvio, Farxiga, Flovent HFA, Genvoya, Gilenya, Glatopa, Glyxambi, Humira, Invokana, Janumet, Januvia, Jardiance, Lantus, Latuda, Lialda, Lyrica, Multaq, Otezla, Pentasa, Premarin, Prolia, Remicade, Repatha, Restasis, Spiriva, Stelara, Symbicort, Takhzyro, Taltz, Toujeo, Truvada, Victoza, Xarelto, Xeljanz, Xolair, and MANY, MANY More!!

What happens if I don't enroll in the SHARx program?

Your high cost medications will no longer be covered by your employer pharmacy benefit plan. If you are in the advocacy process with SHARx, you may be eligible for a short supply of your urgent medications at your local pharmacy while the advocacy is in process. Certain manufacturers will require additional information to verify your income. Please respond right away to these requests for additional information to ensure there is no delay with your advocacy. Our goal is for everyone to receive the medications they need as quick as possible at the lowest price, and this is only accomplished with your help.

SHARx Prescription Assistance

Taking a high cost maintenance?

We are here to help!

What can I Expect?

It is important to note that this is not an overnight solution and usually takes from two to four weeks on average to implement your cost savings, depending on outside circumstances of doctor cooperation, ease of communication and understanding. You may also be asked to verify your income, so please respond right away. Be patient with this process and realize that SHARx advocates want to help you.

What about my prescriptions that aren't high cost?

You will continue to use your same pharmacy for acute and low-cost maintenance medications. You are welcome to see if the SHARx program can save you money on maintenance medications by visiting www.sharxplan.com/generics. Often you can receive a year's supply of maintenance medications for less than you would pay over the course of a year using your insurance copays. Use coupon code SHARx5 for \$5 off your first order.

Instructions to Create Your Advocacy Request

- During onboarding, if you have been identified as having a high cost medicine, you will receive a welcome email from SHARx.
- After receiving the email, please follow the instructions in the email:
 - Click on the custom link in the email to create an account on the SHARx platform.
 - Validate your identity and set up a user account for the website.
 - After logging in, you can verify the prescription information we have on file for you (and your dependents).
 - Complete a "Request for Advocacy" and we'll get to work on saving money for you and your employer.

If you do not receive a welcome email or are prescribed a high cost medicine in the future please email sharx@sharxplan.com or call 314-451-3555.

A Great Testimonial!

"SHARx has really saved my life and I cannot thank them enough for all of their help! I have multiple medical problems and without them it would simply boil down to deciding what to go without!"
